

# Mobile Health Patient Screen

## Login

A hand-drawn sketch of a login screen. At the top is a large rounded rectangle containing the word "Logo". Below it are two input fields: the first is labeled "Username" and the second is labeled "Password". A "Sign in" button is positioned below the password field. At the bottom, there are three icons: a Facebook 'f' logo, a Twitter bird logo, and a Google Plus 'g+' logo.

## myPlan

A hand-drawn sketch of a "myPlan" screen. At the top right is a "BE" status indicator. Below it is a table with three columns: "Claim", "Benefits", and "Insured". The first row contains the text "Plan ID", "Year", and "Start". The second row contains "Date", "From", "To", and "Claim no". The third row contains "Date", "From", "To", and "Claim no". To the right of the second and third rows are circular icons containing the numbers "1" and "2" respectively. At the bottom, there are four icons with labels: "myPlan", "myPlan", "Health", and "Health".

## myPlan

A hand-drawn sketch of a "myPlan" screen. At the top right is a "BE" status indicator. Below it is a table with three columns: "Claim", "Benefits", and "Insured". The first row contains the text "Plan ID", "Year", and "Start". The second row contains "Date", "From", "To", and "Claim no". The third row contains "Date", "From", "To", and "Claim no". To the right of the second and third rows are circular icons containing the numbers "1" and "2" respectively. At the bottom, there are four icons with labels: "myPlan", "myPlan", "Health", and "Health".

## Bottom Nav

A hand-drawn sketch of a bottom navigation bar. It consists of four rounded rectangular buttons arranged horizontally. From left to right, the buttons are labeled: "myPlan", "myPlan", "Health", and "Health". Each button has a small square icon above its text.
